Check List Upon Arrival in Japan

Necessary procedures for taking up residence:

- Complete admission procedures. (tuition fees, etc.)
- Prepare a personal seal (*inkan*).
(In Japan, it is common to sign and seal rather than only to sign.)
- Notify of a place of residence in Japan at the city office.
- Register for National Health Insurance system at the city office.
- Open a bank account.
- Have all utilities for your new accommodation turned on, including water, electricity, gas and phone.
- Be sure to understand the rules for disposing garbage.
- Find stores where you can obtain daily necessities.
- Familiarize yourself with nearby hospitals, including their procedures for medical care, using ambulances, etc.
