12. Additional information:

- (1) It is suggested that the successful applicant should dwell in the vicinity of Naruto after employed.
- (2) The application materials will not be returned. If the applicant wishes to have them returned, he/she must request so beforehand. The personal information the university has acquired in the selection process will be treated confidentially according to the Act on the Protection of Personal Information.
- (3) In principle, finalists will be invited for an interview* with a teaching demonstration at the university. Finalists' expenses for travel and accommodation for the interview will not be reimbursed.
*The interview will be conducted in Japanese to assess the candidate's Japanese language ability necessary to perform duties at the university.
- (4) The university has a policy for recruitment in which the decision is not to be influenced by applicants' nationality or gender. In cases where two or more finalists are equal in qualifications and achievements, the university will give preference to female applicants.
- (5) Even if the successful candidate is a local government employee prior to employment at the university, the university will not count his or her years of service as a local government employee in the calculation of his or her retirement allowance from the university.
